BULLETIN 09-13-2017

Verification of Remaining FY 2017 Appropriations

Approximately 93% of all appropriations have been verified. The list of unverified appropriations is on the FY 2017 Closing web page: <http://doa.wi.gov/Divisions/Budget-and-Finance/DEBF-Information-for-State-Agencies/FY-2017-Closing/>. The list will be updated each day.

There are only a few appropriations that need DOA action before they may be closed. **Agencies must close all appropriations as soon as possible.** If an agency cannot close an appropriation without DOA assistance, and that is not indicated on the unverified listing, please email Karolyn Cassidy and Cory Johnson no later than 5pm today, September 13th, describing what is needed.

We appreciate the work that agencies have put into the FY 2017 closing, and will continue to work on improvements to the closing process during the off-season so that the FY 2018 closing is more efficient.
